One day, Miss Sarah decides to help Peter out. She invites Peter to grow his own garden in a corner of the school playground. The place is very big but it is empty. However, Peter is not discouraged.

Peter starts to dig the soil and he sows tomato seeds, cucumber seeds and some beans. Soon after, small plants rise from the ground. After a few days, Peter can also see vegetables growing when he looks at the plants closely. Peter cannot believe his eyes!

This corner of the school playground was empty in the past. But now, it is a beautiful garden, full of life. His two best friends, Sam and Tom, also become interested in gardening. They see how gardening can be fun and rewarding. Grade 5 and Grade 6 pupils join in and soon, their vegetable garden becomes a success.

Miss Sarah and the Headmaster are pleased and decide to invite the parents of Grade 4 pupils to school. Soon, the happy students and the proud parents can be seen leaving the school with bags full of tomatoes, cucumbers and beans.
