

Question 8 (15 marks)

All dimensions are in millimetres.

- (a) **Figure 4** shows a three-dimensional shaped block. In the space provided, draw:

- (i) the **front view** in the direction of arrow **F**
(ii) the **top view** in the direction of arrow **T**

Hidden edges should be clearly indicated.

- (iii) Insert one major dimension in the **front view** drawn.
